Upon your arrival at Swami Vivekananda Airport, our representative will facilitate your transfer to the hotel via a premium mini van. This location is significant as the primary trade center for Kosa Silk, a rare "wild silk" indigenous to Chhattisgarh. The USP of this experience is the opportunity to witness the sheer variety of hand-woven Kosa, distinguished by its natural golden-brown hue and thermal properties. This provides an authentic introduction to the state's craftsmanship before an overnight stay in Raipur.

The itinerary includes the Laxman Temple, one of India's oldest and most exquisite brick structures, and Surang Tila, a monumental stone temple complex featuring unique pyramid-style architecture. You will also visit the Anand Prabhu Kuti Vihar, a testament to the region's history as a major Buddhist center of learning. The USP of Sirpur lies in its diverse religious pluralism, where Hindu, Buddhist, and Jain monuments coexist in a single, well-preserved landscape. After exploring these 7th-century wonders, you will return to Raipur for the evening.
